CHIEF PATRONS

Hon. Shri. Chandrakant Mahadev Rode.
President
Tale Vibhag Shikshan Prasarak Mandal's, Tala.

Hon. Shri. Mangesh Prabhakar Deshmukh.
Secretary
Tale Vibhag Shikshan Prasarak Mandal's, Tala.

Hon. Shri. Purshottam Govind Muley
Vice President
Tale Vibhag Shikshan Prasarak Mandal's, Tala.

Hon. Shrinivas Prabhakar Vedak
Chairman
College Development Committee (CDC)

KEYNOTE SPEAKER

Dr. Praveen G. Saptarshi
Visiting Professor,
Salisbury University,
Maryland, United States

RESOURCE PERSON

Prof. Gajanan S. Ghodake
Professor
Dongguk University-Seoul, College of
Life Sciences and Biotechnology,
Biomed Campus, Ilsan, KOREA

RESOURCE PERSON

Dr. Jyotiram More.
Head, Department of Geography,
Bharatiya Jain Sanghatana's Arts,
Commerce & Science College
Wagholi, Pune.

CHIEF ORGANIZER

Dr. Nanasaheb Yadav
Principal

CONVENER

Mrs. Sonam Pawar

Assistant Professor,

Head of Accountancy

D.G.Tatkare Arts and Commerce College, Tala, Raigad

Mob No: 7796568835

ABOUT US

To meet the growing demand for higher education in this rural area, the management established a senior college that initially offered the Arts faculty in 2001, followed by the Commerce faculty in 2003. The institution was subsequently renamed D.G. Tatkare Arts and Commerce College, Tala, in honor of the late Shri D.G. Tatkare, father of Hon. Member of Parliament Mr. Sunil Tatkare. Guided by its vision statement, "*Exploration of Youth Strength for Nation Building*," the college is committed to empowering rural youth to actively contribute to national development. The college offers undergraduate programs (three-year degree courses) including B.A. (Bachelor of Arts) with specialization options in Marathi, Geography, Political Science, and Economics, and B.Com. (Bachelor of Commerce) with disciplines in Commerce or Accountancy. Postgraduate programs include M.A. in Political Science and M.Com. in Accountancy. The institution also hosts a recognized Ph.D. Research Centre in Political Science. To enhance employability and skill development, the college provides various short-term add-on and certificate courses in areas such as Yoga, Accountancy, and Computer Applications. Popular IT and skill-based courses include CCC, DSA, DTP, MS Office, CCC & CCDTP, CCC & DSA, CCC & ATP, IT, CCFA, Hardware + CCC, DDTP, C4+, CLIT & DTP, MOS + CCC, Tally, among others.

ABOUT THEME

India is at a historic juncture. As the nation prepares to celebrate its centenary of independence in **2047**, the vision of *Viksit Bharat* (Developed India) has become a collective mission that unites government, academia, industry, civil society, and citizens. This conference provides a vibrant platform to deliberate on India's journey towards becoming a **developed, inclusive, and sustainable nation** by 2047, aligning with the **UN Sustainable Development Goals (SDGs)** and national priorities such as *Atmanirbhar Bharat*, *Digital India*, *Green Growth*, and *Amrit Kaal Vimarsh*.

The conference seeks to **bridge theory and practice** by bringing together scholars, researchers, policymakers, industry experts, and practitioners to share insights, innovations, and strategies that can guide India's development roadmap. Discussions will focus on how India can achieve **holistic sustainable development**—integrating **economic growth, social equity, cultural preservation, environmental sustainability, and technological advancement**—to ensure prosperity for all.

This multidisciplinary dialogue will cover pressing themes such as **education, health, gender equality, digital transformation, renewable energy, urban and rural development, climate resilience, governance**

Submit Your Research Paper!

reforms, and indigenous knowledge systems. Special emphasis will be placed on **regional development, youth empowerment, and community-driven initiatives**, recognizing that sustainable progress must be inclusive and people-centric.

By fostering collaborative engagement, the conference aims to generate actionable recommendations, policy insights, and research contributions that will support India's transformation into a **Viksit Bharat by 2047**.

CONFERENCE FRAMEWORK

Aims

1. To create a **multidisciplinary platform** for academicians, researchers, policymakers, industry leaders, and civil society to deliberate on India's roadmap for becoming a *Viksit Bharat* by 2047.
2. To **bridge theory and practice** by aligning research, policies, and community practices with India's long-term development vision and the UN Sustainable Development Goals.
3. To foster **holistic development** that integrates economic growth, social equity, cultural values, technological advancement, and environmental sustainability.
4. To generate **policy insights and collaborative strategies** that support India's transformation into a globally competitive, inclusive, and sustainable nation.

Objectives

1. **Knowledge Sharing** – Provide a platform for presenting research papers, case studies, and innovative practices across multiple disciplines.
2. **Policy Dialogue** – Encourage interaction between scholars, policymakers, and practitioners to strengthen governance and institutional frameworks.
3. **Capacity Building** – Equip participants with the skills, tools, and knowledge necessary for advancing sustainable development.
4. **Technology Integration** – Explore how AI, digital transformation, renewable energy, and innovation can accelerate India's development.
5. **Cultural & Ethical Dimensions** – Highlight the role of Indian knowledge systems, heritage, and values in guiding sustainable futures.
6. **Regional & Global Engagement** – Promote collaborations between academia, industry, and international organizations for shared progress.
7. **Youth Empowerment** – Engage students, young researchers, and entrepreneurs in shaping the Viksit Bharat vision.

Expected Outcomes

1. **Research Contributions** – Publication of conference proceedings, edited volumes, or special journal issues.
2. **Policy Recommendations** – Draft frameworks and actionable suggestions for governments and institutions.
3. **Collaborative Networks** – Establish academic, industrial, and civil society partnerships for long-term cooperation.
4. **Capacity Enhancement** – Skills, awareness, and leadership development among participants, especially youth.
5. **Innovation Roadmaps** – Identification of cutting-edge technologies and practices that can drive India's growth.
6. **Knowledge Integration** – Blending modern science with indigenous knowledge systems for sustainable solutions.

Significance of the Conference

- **National Vision Alignment:** Supports the Government of India's initiatives such as *Amrit Kaal Vimarsh*, *Atmanirbhar Bharat*, and *Digital India*.
- **Global Relevance:** Aligns with the **UN 2030 Agenda for Sustainable Development** while showcasing India's leadership in global sustainability dialogues.
- **Holistic Development:** Goes beyond economics to include education, health, gender, environment, culture, and governance.
- **Action-Oriented:** Moves from discussions to **practical pathways** for India's transformation by 2047.

TRACKS AND TOPICS

Track 1: Economic Growth & Inclusive Development

1. Vision of *Atmanirbhar Bharat* and self-reliant economy
2. MSMEs and entrepreneurship for national growth
3. Start-ups, innovation hubs, and job creation
4. Inclusive growth and reduction of income inequality
5. Agricultural transformation and farmers' prosperity
6. Green economy and sustainable industrial practices

7. Rural–urban linkages for balanced development
8. Financial inclusion and digital banking
9. International trade and India’s global economic role

Track 2: Education, Skills & Knowledge Systems

10. NEP-2020 and the roadmap to 2047
11. Skill development for future-ready India
12. Digital classrooms and EdTech innovations
13. Higher education reforms and global competitiveness
14. Integration of Indian Knowledge Systems (IKS)
15. Research, innovation, and academic-industry collaboration
16. Education for values, ethics, and citizenship
17. Bridging urban–rural education gaps

Track 3: Science, Technology & Innovation

18. Artificial Intelligence for sustainable development
19. Robotics and automation in Indian industry
20. Biotechnology and healthcare innovations
21. Digital transformation and smart governance
22. Cybersecurity and data sovereignty
23. Space technology and India’s global leadership
24. Internet of Things (IoT) and Industry 4.0
25. Indigenous technologies and frugal innovation

Track 4: Environment, Climate & Sustainability

26. Climate change mitigation and adaptation
27. Renewable energy transitions: solar, wind, and hydrogen
28. Sustainable urban planning and smart cities
29. Rural sustainability and eco-villages
30. Biodiversity conservation and ecosystem services
31. Waste management and circular economy models
32. Green finance and carbon markets
33. Disaster risk reduction and resilience planning

Track 5: Agriculture, Food Security & Rural Development

34. Agri-tech and precision farming
35. Water use efficiency and irrigation reforms
36. Agroforestry and sustainable land management
37. Food processing and value addition
38. Cooperatives and farmer-producer organizations (FPOs)
39. Nutrition security and public distribution reforms
40. Rural entrepreneurship and local markets
41. Role of traditional knowledge in sustainable farming

Track 6: Health, Well-being & Demographic Transition

42. Strengthening primary healthcare systems
43. Digital health and telemedicine
44. Tackling non-communicable diseases (NCDs)
45. Maternal and child health interventions
46. Mental health and social well-being
47. Ayushman Bharat and universal health coverage
48. Integrating Ayurveda and traditional medicine
49. Healthy ageing and geriatric care

Track 7: Social Justice, Equity & Gender Empowerment

50. Women’s economic empowerment
51. Gender equality in governance and leadership
52. Tackling caste- and community-based inequalities
53. Rights of persons with disabilities
54. Migrant workers and social protection
55. Tribal development and cultural inclusion
56. Eliminating poverty through social justice
57. Social entrepreneurship and inclusive policies

Track 8: Governance, Institutions & Policy

58. Strengthening democratic institutions
59. Transparency, accountability, and anti-corruption frameworks

60. Digital governance and citizen services
61. Decentralization and participatory democracy
62. Judicial reforms for speedy justice
63. Police and administrative reforms
64. Cooperative federalism and centre–state relations
65. Global diplomacy and India’s leadership role

Track 9: Infrastructure, Industry & Urban Development

66. Smart and resilient infrastructure
67. Affordable housing and sustainable real estate
68. Transport modernization: road, rail, metro, and ports
69. Logistics and supply chain innovations
70. Renewable energy infrastructure
71. Industrial corridors and economic zones
72. Urban–rural connectivity and digital infrastructure
73. Public-private partnerships in infrastructure

Track 10: Culture, Heritage & Values for Development

74. Preserving India’s cultural heritage
75. Role of arts and literature in sustainable development
76. Indian philosophies and holistic living
77. Spirituality and ethics in nation-building
78. Cultural industries and creative economy
79. Traditional crafts and rural livelihoods
80. Tourism and heritage conservation
81. Intercultural dialogue and global peacebuilding

Track 11: Youth, Sports & Human Capital

82. Youth leadership in Viksit Bharat 2047
83. Skill training and entrepreneurship among youth
84. Sports as a driver of health and unity
85. Role of NSS, NCC, and youth movements
86. Youth participation in policymaking
87. Digital literacy and innovation by young India
88. Employment opportunities and future of work
89. Global migration and Indian youth diaspora

Track 12: Partnerships, Global Engagement & Roadmap 2047

90. Role of India in global SDG leadership
91. SAARC cooperation and regional partnerships
92. Academic–industry–government collaborations
93. Financing sustainable development goals
94. Role of civil society and NGOs
95. Technology transfer and global innovation networks
96. India’s G20 vision and beyond
97. Diaspora contributions to national development
98. Monitoring and evaluating SDG progress
99. Policy frameworks for “Amrit Kaal”
100. Integrated roadmap: *Viksit Bharat @ 2047*

ABSTRACT SUBMISSION

All are cordially invited to submit their abstracts based on findings, innovations, best practices, a new methodology, or research work in the form of practical, theoretical, and methodological aspects of identified themes and related areas and case studies. The participants are requested to send the abstracts Last Date 3rd Oct. 2025

To prevent multiple submissions of the same abstract, only the corresponding author should submit one. If an abstract is contributed by more than one author and the non-presenting author also registers for the conference, he/she will be automatically mapped to the paper he/she has co-authored.

A Person attending the e-conference without an abstract can directly proceed with registration & payment. The persons status will be attendee only.

Please consider the following guidelines: .

- The abstract must be written in MS Word document (A4 size), Times New Roman, 12 font size, and 1.5 line spacing without inserting any special symbol, formula, diagram, table, or reference.

- An outline of the abstract is as follows –

a) Title

d) Email (corresponding author)

Submit Your Research Paper!

Submit by email: internationalc913@gmail.com

b) Author/s name/s	e) Abstract body (Max. 200 to 300 words)
c) Affiliation/s	f) Keywords (Max. 5 to 7 keywords)

FULL LENGTH PAPER SUBMISSION

All are cordially invited to submit original papers (not being considered for publication elsewhere) in standard format (that is provided) describing new theoretical and/or experimental research. Kindly submit your research article/manuscript in .DOC/.DOCX file format to us by mail in English, Hindi and Marathi languages. Word limit should be 2500 to 4000 not more than 8 pages including table, figure, chart, diagrams, etc. Selected papers will be published in ***"InSight Bulletin: A Multidisciplinary Interlink International Research Journal"***, ISSN: 3065-7857, (Double-Blind Peer Reviewed Referee International Research Journal), Impact factor SJI-IF: 2025 -7.002

For English Language

Full paper should be typed in Microsoft Word. The font should be 'Times New Roman' with 12 size for matter, 16 size in bold for title, 14 size in bold for main headings & 12 size in bold for sub-headings, having line spacing of 1.5 inch and 1 inch custom margin on all sides & A4 Size Paper.

For Hindi, Marathi and other Indian Languages

Full paper should be typed in Microsoft Word in "Unicode" with font size- 14 for content, 16 bold for title & 14 bold for headings, having line spacing of 1.5 inch and 1 inch custom margin on all sides & A4 Size Paper.

Points to may be covered in the research paper

1) Title	5) Abstract	9) Data and Methodology
2) Author/s name/s	6) Keywords (Max. 4 keywords)	10) Result and Discussion
3) Affiliation/s	7) Introduction	11) Conclusions
4) Email (corresponding author)	8) Objectives	12) References
